***Yee haw! Calling all future Kindergarten Students!***

Vaughn School welcomes you to join us for our Kindergarten Roundup/Registration for the 2024-2025 School Year.

Come meet your teacher, meet some of your new friends, and visit your classroom. We'll have activities and play on the school playground while grown-ups fill out enrollment forms.

**Date:** Monday June 3rd, 2024

**Time:** 8:30 a.m.- 10:30 a.m.

**Who is invited to join:**

-Kindergarten aged students (must turn 5 by Sept.10th) and their parents/guardians.

-At this time, we are unable to watch/supervise younger children/siblings during roundup. They will need to stay with a parent/guardian if they come along.

**Please make sure that you bring along your child's birth certificate as well as their immunization record. Both of these documents are required as well as proof of residency (current household bill, etc.).**
